INSPIRED BY THE STORY OF ANNABEL CHONG

RECKLESS REBEL OR RADICAL PIONEER?  
PORN PRINCESS OR MEDIA MAVERICK?  
NATIONAL PRIDE OR NATIONAL SHAME?

Annabel Chong burst into history in 1994 in a world-record 10-hour gangbang with 251 men. The first porn star to come out of Singapore, she became one of the most internationally recognized Singapore icons, right next to the Merlion and Tiger Balm. With her unique brand of feminism, she became the focus of feverish media attention and a controversial public figure, not least because she represented an otherwise conservative country.

Haunted by her memories of home, history and her strict religious upbringing, she struggles to reinvent herself as Grace Quek, the digital diva and matrix mistress. Join us on this racy journey set amidst a landscape of private boudoirs, sleazy studios, raunchy strip clubs, porn parties and the constantly evolving world of cyberspace.
